Defendant.)	

This matter is before the court on the defendant's Restricted Motion to Continue Trial [34]. Defendant suffers from a multitude of health issues causing counsel to need additional time to discuss plea negotiations. For good cause shown,

IT IS ORDERED that the Restricted Motion to Continue Trial [34] is granted, as follows:

1. The jury trial, now set for February 28, 2023, is continued to **May 1, 2023**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and May 1, 2023**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).

DATED: February 9, 2023.
